

Halfway Sober
Anarbor

Intro: **G D F# B G Em A**

I feel like I m losing my mind with no concept of time,
I ve got no space.
And I wake up everyday in the same place,
and it s you that keeps me sane,
And this lesson I ve learned, I ve learned it the hard way.

G **Gm**
Just look into my eyes, they ll never lie.

D **G**
And I m only halfway sober,
D **G**
And it s not getting me any closer.
G **Gm**
When words got me down, you keep me up.

G D F# B G Em A
Me up, me up, you keep me up, me up, me up.

G D F# B G Em A
You keep me up at night when I m worried sick about you,
And no one ever said it would be that easy without you.
And I can t keep my hands from shaking,
Baby, you re the only one that can save me.
G **Gm**
Just look into my eyes, they ll never lie to you.

D **G**
And I m only halfway sober,
D **G**
And it s not getting me any closer.
G **Gm**
When words got me down, you keep me up.

D **G** **D** **G**
And I m only halfway sober, and it s not getting me any closer,
And I m only halfway sober, and it s not getting me any closer.

G **Gm**
Just look into my eyes, they ll never lie.

And I m only halfway sober,
And it s not getting me any closer.
And you and I can get through any weather,
And I m only halfway sober.

When words got me down you keep me,
When words got me down, you keep me up.
