

**Take my Pain Away**  
**Anarbor**

Intro 2x: C D G Am7

Verso 1:

C D G Am7  
You got a feeling  
C D G Am7  
That it keeps you up at night  
C D G Am7  
I know that I m leaving  
C D G  
Everything will be all right

Am D  
And even when I m miles away

Refrão:

C D G Am7  
You got me high like cocaine  
C D G Am7  
We re moving faster than a freeway  
C D G Am7  
And I can feel you in my veins  
C D G D  
Baby take my pain away, take my pain away

C D G Am7  
Hit me like a kick drum  
C D G Am7  
Love me like I m still young  
C D G Am7  
We re older but we re still the same  
C D G D  
Baby take my pain away, take my pain away

( C D G Am7  
C D C G )

Verso 2:

C D G Am7  
So, this ain t easy  
C D G Am7  
I ll make it worth it if you see it through  
C D G Am7  
Days when I m speaking

C D G  
Probably think I m over you

Am D  
And even when i m miles away

Refrão:

C D G Am7  
You got me high like cocaine  
C D G Am7  
We re moving faster than a freeway  
C D G Am7  
And I can feel you in my veins  
C D G D  
Baby take my pain away, take my pain away

C D G Am7  
Hit me like a kick drum  
C D G Am7  
Love me like I m still young  
C D G Am7  
We re older but we re still the same  
C D G D  
Baby take my pain away, take my pain away

Ponte:

G Am  
Thinking about you  
G Am  
Even without you  
G Am G D Am7  
Wishing and praying, hoping that is saying

Refrão:

C D G Am7  
You got me high like cocaine  
C D G Am7  
We re moving faster than a freeway  
C D G Am7  
And I can feel you in my veins  
C D G D  
Baby take my pain away, take my pain away

C D G Am7  
You got me high like cocaine  
C D G Am7  
We re moving faster than a freeway  
C D G Am7  
And I can feel you in my veins  
C D G D

Baby take my pain away, take my pain away

**C**                      **D**                      **G Am7**

Hit me like a kick drum

**C**                      **D**                      **G Am7**

Love me like I m still young

**C**                      **D**                                      **G Am7**

We re older but we re still the same

**C**                      **D**                      **G**                      **Am7**

Baby take my pain away, take my pain away
