G D A
Cowboys and kisses

G D A
Gotta find myself everytime you go away

G D
1. Baggy blue jeans and a box of magazines

A
Is all I have of you

G D A
Waitin on the day you walk back in my life

G D
Like a newborn child, you made me smile,

A
then stole my heart away

G D A
We may be outta touch, but never out of time

G
(Come back to me.)

D A
Cowboys and kisses

Always seem to bring me down

G D A
You re like a weight in my pocket

Everytime you come around

G D A
Damn those cowboys and kisses. Oh, yeah.

G D A
Gotta find myself everytime you go away

2. I m holding on to you like a pair of old shoes

That you never throw away

Every road still leads me back to you, yeah

Your little white lies and butterflies made me shed a tear

Still I m praying on the day

that you ll be mine

Why do all these

G **D** **A**
Cowboys and kisses

Always seem to bring me down

G **D** **A**
You re like a weight in my pocket

Everytime you come around

G **D** **A**
Damn those cowboys and kisses.

G **D/F#**
Why do I keep on holding you

A/E **Asus2/E**
When all you do is hurt me?

G **D/F#**
All my friends say I should let you go

A **Asus2**
So afraid that I might see

G **D**
I can t keep on living life like this

A **Asus2**
Up and down in and out I wonder

G **D**
is this world just a cowboy and a kiss?

A **Asus2**
Or should I choose another?

G **D** **A**
Cowboys and kisses

Always seem to bring me down

G **D** **A**
You re like a weight in my pocket

Everytime you come around
