

Pretty Little Dum Dum  
Anastacia

Anastacia  
Pretty Little Dum Dum

**Bm**                 **A**                 **E**  
Padapapapa.. Padapapapapa..  
**E**  
Padapapapa.. Padapapapapa..  
**Bm**                 **A**                 **E**  
Padapapapa.. Padapapapapa..  
**E**  
Padapapapa.. Padapapapapa..

**Bm**                                 **A**                 **E**  
Floating in a circle of illusion and deceit  
**Bm**                         **A**  
Drifting far beneath the skin  
**E**  
The taste of bitter sweet  
**Bm**                         **A**  
Giving in to fantasies  
**E**  
Playing every part  
                  **Bm**                         **A**  
It s so hard to break away from what  
                  **E**  
He says you are

[Chorus:]

**Bm**   **A**  
He calls you pretty little dum dum  
  **E**  
He says he love you but he lies  
                  **Bm**   **A**  
He says that you re the one one  
  **E**  
But that s eleven in his eyes  
**Bm**   **A**  
Whatever happens from one through ten  
**E**  
Don t be a victim of his past tense  
**Bm**   **A**  
Pretty little one one  
  **E**  
Don t, don t, don t be a pretty little dum dum

**Bm** **A** **E**  
Padapapapa.. Padapapapapa..  
**E**  
Padapapapa.. Padapapapapa..

**Bm** **A**  
A never-ending silence  
**E**

In a never ending sleep  
**Bm** **A**  
Walking through the darkness  
**E**

Complicated melodies  
**Bm** **A**  
Praying for a change of heart  
**E**

And looking for a sign  
**Bm** **A**  
It s hard to find the love you want  
**E**  
In broken time

**Bm** **A**  
He calls you pretty little dum dum  
**E**

He says he love you but he lies  
**Bm** **A**  
He says that you re the one one  
**E**

But that s eleven in his eyes  
**Bm** **A**  
Whatever happens from one through ten  
**E**

Don t be a victim of his past tense  
**Bm** **A**  
Pretty little one one

**E** **A**  
Don t, don t, don t be a pretty little dum dum

**Em**  
It s hard to be what you wanna be  
**Bm**

And you wanted to be the one  
**A**  
But you know that you have to run  
**E**

Your life s incomplete

It s so bittersweet

**Bm**  
And you wanted to be the one  
**A**

But you know that you have to run

**E**

It s so hard to be what you want to be

**Bm**

**A**

He calls you pretty little dum dum

**E**

He says he love you but he lies

**Bm**

**A**

He says that you re the one one

**E**

But that s eleven in his eyes

**Bm**

**A**

Whatever happens from one through ten

**E**

Don t be a victim of his past tense

**Bm**

**A**

Pretty little one one

**E**

Don t, don t, don t be a pretty little dum dum

**Bm**

**A**

**E**

Padapapapa.. Padapapapapa..

**E**

Padapapapa.. Padapapapapa..

**Bm**

**A**

**E**

Padapapapa.. Padapapapapa..

**E**

Padapapapa.. Padapapapapa..

**Bm**

**A**

**E**

Padapapapa.. Padapapapapa..

**E**

Padapapapa.. Padapapapapa..

**Bm**

**A**

**E**

Padapapapa.. Padapapapapa..

**E**

Padapapapa.. Padapapapapa..
