

Sick And Tired
Anastacia

Hi! hmm .. what I tabbed here is n t the whole song.
It s the intro and it s played also in the chorus.

Why I could nt have tabbed the whole song? well, I m kinda still a rookie in
this
hope this is correct ..

Well, it goes like this.

=====

Intro:

Am	C	
My love is alive		
G	Dm	x3
My love is alive		

.
.
.
.
.

Chorus:

Am	C	G	
Your love isn t fair			
Dm	Am	C	G
You live in a world where you didn t listen			
Dm	Am		
And you didn t care			
C	G		
So I m floating			
Dm	Am		
Floating on air			

=====

And that s about it, have fun!
