Noni s Field

**Em**

When I closed my eyes in Noni s field

**G**

We were lying on our backs.

**Em**

I dreamt that the ground split a seam,

**G**

Our spirits, floating.

**Cmaj7**

When no longer tied into our bodies,

**G**

We left them wrapping as a sign,

to slip into the crack.

**Cmaj7**

**G**

Tired and ready to go.

**G**

But I don t know what goes on.

**D7**

I touched my grandfather s face, he lay fixed in his casket.

He lay sewn shut and folded so that none could refuse it.

**Em**

They had posed, they had painted him.

I laughed. I let him go.

**A7**

**Cmaj7**

His cheeks washed like watercolor sunlight, evening time.

**G**

I could never put my hands back to them.

**G**

Still, I don t know what goes on.

**D7**

Will my thoughts burn in unseen patterns, form a dim glow in your mind

Long after you remember who it was that I looked like?

**Em A7 Cmaj7 G**

Oh Oh Oh Oh

**Em**

**G**

We saw the sky, swarming full with the light that the fireflies made.

**Em**

**Bm/D**

**Cmaj7**

An accidental constellation.

**G**

You, how will you go?

**Em** **A7**  
Out throug<sup>h</sup> your mouth in a sigh?  
**Cmaj7** **G**  
Into a space we don t know.

**Em** **A7** **Cmaj7** **A7** **Cmaj7**  
Oh Oh Oh Oh Oh Oh
