High water carried her down stream

Verse 3: (use verse 1 chords)

Rolled like a felled tree with arms as useless as such
Death's panic came, a calmness stayed, you couldn't do much
Just watch the water chip away at the bank eroding
Cut and crumbling through the spate

Verse 4 chords:

D6 **G**
It took a father, it covered his daughter
D6 **G**
Took her down, down, down
D6
With the glass bottles, books, a tire
G **D6**
Collected hair tufts in the weeds
G **D**
Snagged and wrapped in the peats dammed and trapped

Chorus Chords: (repeat x3)

D
You said, is this the ceremony?
G
I don't know, well I don't mind

The way we all fall in and roll down
D
Pushed through the veins and trafficked byes
G
And when your ears sit underhead is half submerged down below
D
Pooling all accounts of peace while passed beneath the canopy glow
G **D** **G**
canopy glow, canopy glow, canopy glow
