

Dont Look Too Far
Anathema

Intro: **E G F#** X4

Bm **A**
If I begin to feel lighter
G
Hold me down
F#
And I ll be yours for evermore

Bm **A**
God bless this mess I m in
G
For it is time
F#
To be rid of a certain sin

Bm **A**
A cool breeze down my spine
G
And if I m really here
F#
Then I feel fine

Bm **A**
A freelance child
G
You bring it all back
F#
This world is eating me inside

E G F#
Don t look too far X4

Bm **A**
Missing a degree of warmth
G
A name without a face
F#
I m loosing grip all the same

Bm **A**
I sever the line that divides
G
I sever the feelings inside
F#
I sever between you and me

Bm **A**

And I want to learn to fly

G

Bring the pain right back again

F#

Is this all there is of me

Bm **A**

Hearts and minds, find the time

G

That in the end there was

F#

No possible reason for anything

E G F#

Don t look too far X12
