

**Flying
Anathema**

C#m **G#7**
started a search to no avail a light that shines behind the veil, trying to find
it

C#m **G#7**
and all around us everywhere is all that we could ever share, if only we could
see it

C#m **G#7**
believe there s true thoughts beyond me

C#m **G#7**
life ever changing weaving destiny

A **C#m** **G#7**
it feels like i m flying, above you

A **C#m** **G#7**
dream that i m dying, to find the truth

A **B**
seems like your trying, to bring me down

A **G#7**
back down to earth, back down to earth

C#m **G#7**
layers of dust and yesterdays shadows fading in the haze, what i couldn t say

C#m **G#7**
though i said my hands were tied time i changed and now i find, free for the
first time

C#m **G#7**
feel so close to everything now

C#m **G#7**
strange how life makes sense in time

A **C#m** **G#7**
it feels like i m flying, above you

A **C#m** **G#7**
dream that i m dying, to find the truth

A **B**
seems like your trying (trying, trying, trying...), to bring me down

A **B**
back down to earth, back down to earth,

A **B** **A**
back down to earth, back down to earth, BACK DOOOWN!!! (solo)
