

**Flying
Anathema**

Dm **A7**
started a search to no avail a light that shines behind the veil, trying to find
it

Dm **A7**
and all around us everywhere is all that we could ever share, if only we could
see it

Dm **A7**
believe there s true thoughts beyond me

Dm **A7**
life ever changing weaving destiny

Bb **Dm** **A7**
it feels like i m flying, above you

Bb **Dm** **A7**
dream that i m dying, to find the truth

Bb **C**
seems like your trying, to bring me down

Bb **A7**
back down to earth, back down to earth

Dm **A7**
layers of dust and yesterdays shadows fading in the haze, what i couldn t say

Dm **A7**
though i said my hands were tied time i changed and now i find, free for the
first time

Dm **A7**
feel so close to everything now

Dm **A7**
strange how life makes sense in time

Bb **Dm** **A7**
it feels like i m flying, above you

Bb **Dm** **A7**
dream that i m dying, to find the truth

Bb **C**
seems like your trying (trying, trying, trying...), to bring me down

Bb **C**
back down to earth, back down to earth,

Bb **C** **Bb**
back down to earth, back down to earth, BACK DOOOWN!!! (solo)
