 G
How I needed you
 Bm
How I grieve now you re gone
 G
In my dreams I see you
 Bm
I awake so alone

 G Em
I know you didn t want to leave
 Bm A
Your heart yearned to stay
 G E
But the strength I always loved in you

Bm A
Finally gave way

 G Bm A
Somehow I knew you would leave me this way
 G Bm A
Somehow I knew you could never stay

 Em
And in the early morning light
 Bm A
After a silent, peaceful night
 Em
You took my heart away
 Bm F#

And my being

G
In my dreams I can see you
Bm
I can tell you how I feel
G
In my dreams I can hold you
Bm
And it feels so real

G Em
I still feel the pain
Bm A
I still feel your love
G Em
I still feel the pain
Bm A
I still feel your love

G
And somehow I knew
Bm A
You could never never stay
G Bm A
And somehow I knew you would leave me

Em
And in the early morning light
Bm A
After a silent, peaceful night
Em
You took my heart away
Bm A G
Oh I wish, I wish you could have stayed
