F#
How I needed you
Bbm
How I grieve now you re gone
F#
In my dreams I see you
Bbm
I awake so alone

F# Ebm
I know you didn t want to leave
Bbm G#
Your heart yearned to stay
F# Eb
But the strength I always loved in you

Bbm G#
Finally gave way

F# Bbm G#
Somehow I knew you would leave me this way
F# Bbm G#
Somehow I knew you could never stay

Ebm
And in the early morning light
Bbm G#
After a silent, peaceful night
Ebm
You took my heart away
Bbm F

And my being

F#

In my dreams I can see you

Bbm

I can tell you how I feel

F#

In my dreams I can hold you

I still feel your love

Ebm

I still feel the pain

I still feel your love

F#

And somehow I knew

Bbm

G#

You could never never stay

F#

Bbm

G#

And somehow I knew you would leave me
