

Regret  
Anathema

**Gm** **Dm**  
As I drift away... far away from you,  
**Gm** **Dm**  
I feel all alone in a crowded room,  
**Eb**  
Thinking to myself  
**Cm**  
There s no escape from this  
**Eb**  
fear  
regret

**Cm**  
loneliness...

**Gm**  
Visions of love and hate  
**Cm**  
A collage behind my eyes  
**Gm**  
Remnants of dying laughter  
**Cm**  
Echoes of silent cries

**Gm**  
I wish I didn t know now that  
**Dm**  
I never knew then...  
**Gm**  
Flashback

**Dm**  
Memories punish me once again  
**Eb**  
Sometimes I remember all the pain  
**Cm**  
that I have seen.  
**Eb** **Cm**  
Sometimes I wonder what might  
have been...

**Gm**  
Visions of love and hate  
**Cm**  
A collage behind my eyes  
**Gm**  
Remnants of dying laughter  
**Cm**

Echoes of silent cries

**Gm**

And sometimes I despair

**Cm**

At who I ve become

**Gm**

I have to come to terms

**Cm**

With what I ve done

**Gm**

The bittersweet taste of fate

**Cm**

We can t outrun the past

**Gm**

Destined to find an answer

**Cm**

A strength I never lost

**Eb**

I know there is a way,

**F**

My future is not set,

**Eb**

For the tide has turned

**Bb**

But still I never learned

**Dm**

To live

**Gm**

without regret
