Sweet Kara

Drop E string down two tones to D

Verses: **Bm** **Am**

Chorus: Am Open strum

1st Verse: **Bm** **Am** (4x)

Blue Eyes, like an open sky,
clouds shimmering in the glint of their light,
A sweet smile just like her child's ,
A sexual walk that made me wanna cry

Chorus One: Am Open Strum (4x)

Sweet Kara, you were the one,
left me with the setting sun
Sweet Kara, don't feel surprised,
I'm gonna love you till the end of time

Instrumental/fingerpicking of Verses

2nd Verse: **Bm** **Am** (4x)

Blue eyes like the open skies,
we would speak at the same time,
trading songs before saying goodbyes,
her look in my eyes left me hypnotized,

Chorus Two: Am Open strum (till fade out)

Lo ho Now I walk alone...
she's left me on to roam...
Sweet Kara, you were the one,
left me with the setting sun,
Sweet Kara, I walk the line,
I still see you when I close my eyes...

Spoken: Eyes like water, shining in the sunshine
her voice was like an angel, something one is lucky to hear,
radiating the love she knows, lavender scented hair,
a butterfly pushes her on her way as she goes...
