

**A Perfect Tourniquet**  
**Anberlin**

Anberlin - A Perfect Tourniquet

I m not to sure of the Bridge Or the Spanish part But if you Figere them out  
please  
me at ( [uriasaguilar160@gmail.com](mailto:uriasaguilar160@gmail.com) ) /Or/ add me on  
facebook theres my email..

Tuning Standard  
[**E B G D A E**]

[Intro]:  
**G Asus Bm F#m**

[Verse]:  
**D**  
I m not sure  
**Bm**  
If you can call this romance  
**D**  
You see we ve changed since the start  
**D**  
Even together  
**Bm**  
We re distant lonely and apart  
**F#m**  
But we both look the other way  
**G**  
Pretend we still believe it  
**Asus**  
When they say

[Chorus]:

**G Asus Bm**  
I guess that s why they call this love  
**F#m G**  
Sadly unpredictable  
**G Asus Bm**  
And I guess that s why they call this love  
**F#m D**  
Fate and fatal

[Verse]:2(same as 1)--**G Asus Bm F#m G**

My heart doesn t beat  
As fast as it once did

I would sever these ties  
But you re the perfect tourniquet  
Tell me darling  
Should we look the other way  
When they say

[Chorus]:

[Bridge]:

Its getting hard to stay  
But even harder to let go  
And tell me now darling  
Is this how we thought love was meant to go

[Spanish]:--{part}

Viva, viva communique  
Donde, Donde estara? a Donde se fue?

[Chorus]:
