

Blame Me ! Blame Me !
Anberlin

Intro: **Bm D G A**

Bm

And we could ride all night
To the pace of the blinking light

D G

Wishing traffic was faster (traffic was faster)
Keeping safe distance but courting disaster

A Bm

We could dance all night
To the sounds of a starting fight

D G

Hoping change would come around (change would come around)

A

Amazing division how sweet the sound

Bm

Blame me! Blame me! Blame me!

D

For mistakes you ve made but you can t own

G

Hate me hate me hate me

A

For every honest word that you ve postponed

Bm

Leave me out of this

D

Your life s a sinking ship so

G

Blame me blame me blame me

A

For mistakes you ve made but you can t own

Bm

And we could stare all day
At problems that won t go away

D G

Silence is pounding (silence is pounding)
You re wearing me down these corners they re rounding

A Bm

Then we could scream all night
With no resolve still left in sight

D G

Stop saying you re sorry

A

All of these words feel so very empty

Chorus

G **A**
Torturing ourselves we must be into the abuse

Bm
If you're the rope that ties us together

A
Please make me a noose

G
Ask me to leave
Then beg me just to stay

A
Used to run to my arms but now I walk away

Bm
Come and go as you please
I'm like a part-time lover with well-worn knees
Well come on

Chorus

(**Bm D G A**)
