VERSE:

Before the red priest took his last breath  
He told me child now don t forget  
The sun will turn dark very soon  
The days are numbered when there s blood on the moon

The earth will shake and the sky will fall  
The eyes will open of those enthralled  
Don t take the son but you ll be killed  
By the man from seven hills

A man is coming in thirteen one  
To charm the daughters and the sons  
Scared for our lives I turn to your hand  
Hold this time while we run if we still can
