

Naive Orleans
Anberlin

Tabbed by: ANDY COLICH

Nobody has tabbed the whole song so I m doing it.

If you think I am over explaining things too much? I?m sorry? I?m making this as idiot as possible? there are some bad tabs out there.

I m pretty sure most of this is right... but a lot of the time the bass harmonizes making it tough to hear what is going on.

Intro:

```

e-----|
b-----2-----|
g-----8-----5-----1-----|
d---6---6-----| x4
a--4---4-----3---3-----|
E-----2---2-----|

```

Come and go now as you please...

... or if you can make the stretch,
that last chord can be played:

```

e-----|
b-----|
g-----6--|
d---6-----|
a-----|
E--2---2----|

```

but who cares

Intro Part 2:

```

e-----|
b-----2-----4-----6-----|
g--1-----1-----3-----3-----6-----6-----8-----|
d-----6-----6-----6-----| x2
a-----4-----4-----|
E--2--2-----4--4-----6--6-----|

```

And I ve finally found that life goes on without you...

```

e-----|
b-----|
g-----|
d--4~-- let this ring...
a--4~--
E--2~--

```

the verse is played with a pretty mean, post-amp phaser... but that doesn't matter if just learning

The chords that are palm muted have a . underneath them.

Verse:

```

e----|-----|
b----|-----|
g----|--6-6-6-6-6-6-6-6-6-6-6-6-6-6-3-3-3-3-3-3-----|
d--4-|--6-6-6-6-6-6-6-6-6-6-6-6-6-6-3-3-3-3-3-3-4-4-4-4-4-6--| x4
a--4-|--4-4-4-4-4-4-4-4-4-4-4-4-4-4-4-1-1-1-1-1-1-4-4-4-4-4-6--|
E--2-|-----2-2-2-2-2/4--|
      . . . . . . . . . . . . . . . . . . . . . .

```

Is this the way you want it?....

The strumming pattern for the chorus is a little tough and if I tab it the way it sounds it might throw you off time... so I'm just putting each chord down 4 times for a four-count.

Chorus:

```

e-----|
b-----|
g-----3-3-3-3--6-6-6-6----|
d--4-4-4-4--6-6-6-6--3-3-3-3--6-6-6-6----| x4
a--4-4-4-4--6-6-6-6--1-1-1-1--4-4-4-4----|
E--2-2-2-2--4-4-4-4-----|

```

And I've finally found that life goes on without you...

If you can hear it... there's a little riff behind the chorus that goes...

(again, not the exact strumming)

```

e-----|
b--9-9-9-9--9-9-9-9--9-9-9-9--9-9-9-9----|
g--6-6-6-6--8-8-8-8--6-6-6-6--8-8-8-8b---| x4
d-----|
a-----|
E-----|

```

But its so covered up that its almost unnecessary

Then the second half of the chorus comes?

This is the correct number of times to hit the chords? it goes kind of fast?

Breakdown:

```

e-----|
b-----|
g--3-3-3-----3-3-3-----|
d--3-3-3-6-6-6-4-4-4-3-3-3-6-6-4-4-----|
a--1-1-1-6-6-6-4-4-4-1-1-1-6-6-4-4-----|
E-----4-4-4-2-2-2-----4-4-2-2-----|

```

?And I've finally found that all

Other Part:

Guitar 1

```

e-----|
b-----|
g--6-6-6-6-6-6-6-----|
d--6-6-6-6-6-6-6-4-4-4-4-4-4-4-----|
a--4-4-4-4-4-4-4-4-4-4-4-4-4-4-4-----|
E-----2-2-2-2-2-2-2-----|

```

x2

Guitar 2

```

e-----|
b-----|
g-10101010-8-81010-6-6-6-6-6-6-6-----|
d--x-x-x-x-x-x-x-x-x-x-x-x-x-x-x-----|
a--8-8-8-8-6-6-8-8-4-4-4-4-4-4-4-----|
E-----|

```

x2

?Your actions write the melodies

The next part has a chord that can't be played with standard tuning? and for the sake of not having to re-write this whole tab? please just play it an octave up?

```

e-----|
b-----|
g--8-8-8-8-8-8-8-6-6-6-6-6h8p6-5-----|
d--8-8-8-8-8-8-8-6-6-4-6-6-6~-----6~|
a--6-6-6-6-6-6-6-4-4-4-4-4-6~-----|
E-----2-----4~-----|

```

?And you just sing along out loud, yeah

The bass in this next part does something a little different and drowns out the guitar?

this is right? either that or its totally wrong who cares this sounds good.

```
e-----|
b-----|
g--6-6-6-6-6-6-----|
d--6-6-6-6-6-6-4-4-4-4-4-4-----|    x3
a--4-4-4-4-4-4-6-6-4-4-4-4-4-4-----|
E-----4-4-2-2-2-2-2-2-----|
```

?Come and go now, as you please

Then theres the little solo thing?

```
e-----|
b--9-9-9-9-9-9-----|
g--6-8-8-6-8-8-8b8-----|
d-----|
a-----|
E-----|
```

Then play the Chorus again? if you don?t remember it? I wont make you scroll and find it?

Chorus:

```
e-----|
b-----|
g-----3-3-3-3--6-6-6-6-----|
d--4-4-4-4--6-6-6-6--3-3-3-3--6-6-6-6-----|    x4
a--4-4-4-4--6-6-6-6--1-1-1-1--4-4-4-4-----|
E--2-2-2-2--4-4-4-4-----|
```

And I ve finally found that life goes on without you...

Everything else you need to know is up there somewhere? sorry if I screwed anything up.

tried to tab this as best as possible.

I will now begin work on ?Audrey, Start the Revolution! because there is also no tab that.

If you have questions e-mail me at: *

Take care

-Andy
