Capo 1
For Acoustic

Bm
Last night rolled over beside my bed
G
That sort of madness, could leave one dead
Bm
Our eyes deceive, we were on fire
G
Mistook you for love and love desire

Bm
I still cant feel nothing just want to hold something
G
Tell me again whats real, tell me again what to feel
Bm
I still cant feel nothing just want to hold something
G
Tell me again whats real, tell me again what to feel

Bm
Why do you stay until you see blood
G
Why does the weight fall upon us
Bm
Were on the same side in the same war
G **A**
Why stay till you see blood

Bm
Where are we that we digress
G
Long for love but then undress
Bm
Our hands no bounds, our hearts detached
G
We grasp for all that will not last

Bm
I still cant feel nothing just want to hold something
G
Tell me again whats real, tell me again what to feel

Bm

I still cant feel nothing just want to hold something

G

Tell me again whats real, tell me again what to feel

Bm

Why do you stay until you see blood

G

Why does the weight fall upon us

Bm

Were on the same side in the same war

G A

Why stay till you see blood

Em Em C Bm

Fall Falter on matches

Em Em C Bm

Feel failure to progress

G

Bm

Why do you stay until you see blood

G

Why does the weight fall upon us

Bm

Were on the same side in the same war
