

**Symphony Of Blase**  
**Anberlin**

(intro) **G#m E G#m E B**

(verso)

**B**

Are there no shadows where you are

**E**

I can see everything as day

**G#m**

Problems that you try to hide away

**F#**

Pushing me aside

(You re pushing me aside)

**B**

Could the winter calm come twice

**E**

Cause your heart seems so cold tonight

**G#m**

Thirst for substance somehow isn t right

**F#**

It s killing me inside

(It s killing you inside)

**B**

You re killing me inside

(pré-refrão)

**E**

**B**

I don t wanna be where you are

**G#m**

**F#**

I don t wanna be here even now

**E**

**B**

I don t wanna be by your side

**F#**

If something isn t right

**B**

If something isn t right

(refrão)

**G#m**

This is our last goodnight

**E**

Say what you will

Say all that you can

**F#**

Words have no meaning

**B**

When I ve seen where you ve been

**G#m**

This is our last goodnight

**E**

Say what you will

Say all that you can

**F#**

This is our last goodbye

**B**

This is where love ends

(verso)

**B**

Are you so naive to right and wrong

**E**

How could you watch innocence forgone

**G#m**

Does what we've done ever really belong

**F#**

It wasted me away

I feel so wasted away

**B**

God if you can hear me out all right

**E**

Please take these feelings for her inside

**G#m**

My chest hurts when I breathe tonight

**F#**

It's wasting me away

(You're wasting me away)

**B**

They're wasting me away

(pré-refrão)

**E**

**B**

I don't wanna be where you are

**G#m**

**F#**

I don't wanna be here even now

**E**

**B**

I don't wanna be by your side

**F#**

Something isn't right

**E**

Something isn't right

This is our last

**B**

(This is my last)

(refrão)

**G#m**

This is our last goodnight

**E**

Say what you will

Say all that you can

**F#**

Words have no meaning

**B**

When I ve seen where you ve been

**G#m**

This our last goodnight

**E**

Say what you will

Say all that you can

**F#**

This is our last goodbye

This is where love ends

**E**

(This is my last)
