The Feel Good Drag
Anberlin
(intro) F#m E D E F#m
(verso 1)
F#m
I m here for you, she said, and we can stay for awhile
my boyfriend s gone, we can just pretend
Lips that need no introduction, Now who s the greater sin
Your drab eyes seem to invite, (tell me darling) Where do we begin.
(refrão)
F#m
                E
Was this over before, before it ever began?
Your kiss, your calls, your crutch, Like the devil s got your hand
This was over before, Before it ever began
                                                           F#m E F#m E
Your lips, your lies, your lust, Like the devil s in your hands
(verso 2)
Everyone in this town, is seeing somebody else
Everybody s tired of someone, our eyes wander for help
Prayers that need no answer now, I m tired of who I am
You were my greatest mistake, I fell in love with your sin
F#m E F#m E F#m
Your littlest sin
(Refrão)
(ponte)
F#m
Failure is your disease, You want my outline drawn
You were my greatest failure, Discourse your saving song
(solo)
