Verse 1:

```
D  A          D  A                   D   A
    Hey brother    do you remember when
            Bm                                                D
We used to play outdoors till the light was absorbed by the night
A               D  A                 D   A
    Hey brother    it was an innocent time
            Bm
We used to laugh till we cried

Were still boys on the inside
```

Chorus:

```
Bm
I want to do it again
D                A
  The first time staying out all night
D                        A            D
  The last time that we got away with lies
              A
I can hear it in the back of my mind
Bm
Over and over again

I want to do it again
D               A
  Late night in early lives
```

```
D                       A                   D
   Never thought it would come to a goodbye
             A
I replay it in the back of my mind
Bm
Over and over again

I want to do it again

Verse 2:

D  A         D  A                   D     A
     Hey lover    do you remember when
           Bm
We would dance in your apartment
                                   D
Till neighbors would knock on your door
A                   D   A              D    A
    Well I remember,   do you remember when
         Bm
We had no money to speak of

Nowhere else to eat but your floor

Chorus:

Bm
I want to do it again
D               A
   The first time staying out all night
D                     A             D
   The last time you looked me in the eyes
               A
I can see them in the back of my mind
Bm
Over and over again

I want to do it again
D           A

Note:
The other tab that i did was kinda wrong because i based it on,
how your hand should be on the guitar, so...
This is the correct way that i did it:

        E|--0--|   E|--0--|   E|--0--|   E|--0--|
        B|-11--|   B|--6--|   B|--8--|   B|-13--|
        G|-10--|   G|--5--|   G|--7--|   G|-12--|
        D|--8--|   D|--3--|   D|--5--|   D|--9--|
        A|--8--|   A|--3--|   A|--5--|   A|--9--|
        D|--8--|   D|--3--|   D|--5--|   D|--9--|
```

sorry for the misunderstanding. Ã¼
