Knew Then Know Now
Anchor & Braille

Knew Then Know Now
Anchor & Braille
Tabbed by Rob Fletcher

Standard tuning

```
E    B    G#m    E
```

```
E                    B
   Life is beautiful
          Bmaj7/A#
Open your eyes
            G#m                       E
Whether you see it, believe it or not
                        B
It s not somewhere out there
              Bmaj7/A#
Stand by your side
                G#m
It s here in today
                        E
It s there there in your smile
            B
Take it all in
          Bmaj7/A#
Let it all go
              G#m
Where you end up
        E
Nobody knows
              B
Dance like you care
          Bmaj7/A#
Act like you don t
                G#m
If life wants to drown
                Bmaj7/A#       G#m
Pretend that you float
```

```
    E                 B
If I knew then what I know now
        G#m             E
I would tell myself again somehow
```

```
      E                         B
That life works out the way it should
G#m                     E
Life works out the way it should
    E                     B
If I could go back in time awhile
        G#m               E
I would tell myself to rest a while
      E                       B
Don t worry about all that happened
          G#m                   E                   G#m
What good life works out the way it should

E                         B
   Life is here and gone
         Bmaj7/A#
No one denies
           G#m
Live and we learn
             E
Love then we die
               B
So while we re young
                 Bmaj7/A#
Let s take all the town
           G#m
Travel the world
             E
Follow the sun
                   B
Don t wait till we re there
               Bmaj7/A#
I know it seems wrong
                 G#m
But this road only takes
             E
Those who are strong
           B
Feeling the wind
           Bmaj7/A#
Brushing your face
      G#m                     Bmaj7/A#
This is free from the human race
G#m                   Bmaj7/A#
We re not the human race
G#m          E

   E                     B
If I knew then what I know now
       G#m             E
I would tell myself again somehow
```

```
      E                     B
That life works out the way it should
G#m                 E
Life works out the way it should
    E                 B
If I could go back in time awhile
        G#m               E
I would tell myself to rest a while
        E                 B
Don t worry about all that happened
          G#m               E
What good life works out the way it should

Em        C        G#m       E

Em  - - - - - - -      B

    E                   B
If I knew then what I know now
        G#m               E
I would tell myself again somehow
      E                   B
That life works out the way it should
G#m                 Em
Life works out the way it should
    E                 B
If I could go back in time awhile
        G#m               E
I would tell myself to rest a while
        E                 B
Don t worry about all that happened
          G#m               E
What good life works out the way it should

Em  - - - -
E     B     G#m     E
E     B     G#m     E
```
