Em Am Em F
He don t know I call him the teacher
Em Am Em F
He had hard lessons for the kid
Em B
I get I put you through hell
C Bm
He put me under the same spell
Am B Em
He lied man, he stressed me out

Em Am Em F
You loved me like a precious gift
Em Am Em F
And he loved me like a sloppy kiss
Em B
You would tell me your heartaches
C Bm
Now I understand the pain
Am B Em
Oh why did I let you drown

Am Bm Em
Baby would you believe
That I ve been broken
Am Bm Em
You say memories
Play again and again
Am Bm Em
I see the reel now it s real to me

Em G F#
I gave up gold for grains of sand
F Em F
Slipping through my hand
Em F
Slipping through my hand

Em Am Em F
You had no problems with commitment
Em Am Em F
Like a king is loyal to what s his
Em B
You looked for a ring to fit
C Bm
While I played wifey with a kid
Am B Em
Oh the irony makes me sick

Em Am Em F
He tried to make me look crazy
Em Am Em F
Nothing new about his kind of scheme
Em B
I laugh when I think about
C Bm
His face when truth nearly spilled out
Am B Em
He looked like me I get that now

Am Bm Em
Baby would you believe
That I ve been broken
Am Bm Em
You say memories
Play again and again
Am Bm Em
I see the reel now it s real to me
Em G F#
I gave up gold for grains of sand
F Em F
Slipping through my hand
Em F
Slipping through my hand
Em F
Slipping through my hand
Em F
Slipping through my hand

Am Bm Em
Ooooooh
Am Bm Em
Ooooooh

Am Bm Em
Baby would you believe
That I ve been broken
Am Bm Em
You say memories
Play again and again
Am Bm Em
I see the reel now it s real to me
Em G F#
I gave up gold for grains of sand
F C Bm
Slipping through my hand
C Bm
Slipping through my hand
C Bm
Slipping through my hand, oooh
C Bm
Slipping through my hand

C Bm
Slipping through my hand, hand, hand
C Bm
Slipping through my hand, hand, hand
C Bm
Slipping through my hand, hand, hand
C Bm
Slipping through my hand, hand, hand
