Love You Can Save It All
Andra Day

Intro: **C#m   A   E   B**

Verse 1:
C#m
Part of me is part of you
A   **E**
So take my hand I want you to feel
                  B
Words you can hear

C#m
I love you so and you love me
A   **E**
So tell me why, why does it feel
                             B
Like we re thousand miles apart

Ponte:
C#m
For better or for worse you stood next to me
A   **E**
Always found a way not to give up on me
                             B
Remember when you use to say

Refrão:
B   **C#m**
You know our love can save it all
                         A
We ve been toghether for so long
                E
So don`t give up on who we are
                B
We ll work it out somehow

B   **C#m**
You know a word can change it all
                             A
I had my doubts but now i know
        E
I wanna be with you for life
                B
Each day and every night
                        C#m
Because our love can save it all

C#m

```
O o o uuoouuooo
A
O o o uuoouuooo
E
O o o uuoouuooo
B
Oooo

Verso 2:
C#m
I wish there was another me
A                              E
Another you so we could go back
                        B
To the point where we met

C#m
Another place another chance
A                             E
We make it right so meet me halfway
                        B
I know you feel the same

Ponte:
C#m
For better or for worse you stood next to me
A                                        E
Always found a way not to give up on me
                             B
Remember when you use to say

Refrão:
B                         C#m
You know our love can save it all
                        A
We ve been toghether for so long
                E
So don`t give up on who we are
                B
We ll work it out somehow

B                         C#m
You know a word can change it all
                          A
I had my doubts but now i know
        E
I wanna be with you for life
              B
Each day and every night
                        C#m
Because our love can save it all

C#m
```

O o o uuoouuooo
A
O o o uuoouuooo
E
O o o uuoouuooo
B
Oooo

Final:
C#m
O o o uuoouuooo
A
O o o uuoouuooo
E
O o o uuoouuooo
B
Oooo
