Rise Up
Andra Day

```
  C#                      G#
You re broken down and tired
 Bbm                    F#
Of living life on a merry-go-round
 C#                     G#
And you can t find the fighter
Bbm                   F#
But I see it in you so we gonna walk it out
C#  G#         Bbm           F#
And mooooooooooove mountains
```

We gonna walk it out
```
  C#    G#         Bbm          F#
And mooooooooooove mountains
```

```
          C#
And I ll rise up
I ll rise like the day
      G#
I ll rise up
I ll rise unafraid
      Bbm
I ll rise up
                        F#
And I ll do it a thousand times again
         C#
And I ll rise up
High like the waves
      G#
I ll rise up
In spite of the ache
      Bbm
I ll rise up
                      F#
And I ll do it a thousands times again
    C#
For you
    G#
For you
    Bbm
For you
    F#
For you
```

```
C#                          G#
When the silence isn t quiet
Bbm                   F#
```

And it feels like it s getting hard to breathe
C#   **G#**
And I know you feel like dying
Bbm   **F#**
But I promise we ll take the world to its feet

C#   **G#**   **Bbm**   **F#**
And moooooooooove mountains

We gonna walk it out
C#   **G#**   **Bbm**   **F#**
And moooooooooove mountains

    C#
And I ll rise up
I ll rise like the day
      G#
I ll rise up
I ll rise unafraid
      Bbm
I ll rise up
                              F#
And I ll do it a thousand times again

      C#
For you
      G#
For you
      Bbm
For you
      F#
For you

C#
All we need,
            G#
all we need is hope
                        Bbm
And for that we have each other
                        F#
And for that we have each other
C#
We will rise
G#
We will rise
Bbm
We ll rise, ohh ohh
F#
We ll rise

          C#
And I ll rise up
I ll rise like the day

```
       G#
I ll rise up
I ll rise unafraid
       Bbm
I ll rise up
                           F#
And I ll do it a thousand times again
           C#
And I ll rise up
High like the waves
       G#
I ll rise up
In spite of the ache
        Bbm
I ll rise up
                           F#
And I ll do it a thousands times again
       C#
For you
       G#
For you
       Bbm
For you
       F#
For you
```
