

Back To You
Andre Matos

Bm **A** **Em** **G**
Sometimes you've been searching for a mend
Bm **A** **Em** **G**
sometimes you keep hoping instead
Bm **A** **G** **Em**
but what you don't see is the way things turn
Bm **A** **G** **Em**
just to remember how far you've gone
Bm **A** **G**
Just to remember how far
Bm **A** **G**
hush sweet darling raise your head
Bm **A** **G**
keep on dreaming beg for more...
Bm **A** **Em** **G**
somedays seem so fearless but too soon they're over
Bm **A** **Em** **G**
it's when all the pain hits back inside
Bm **A** **G** **Em** **G**
you're tied in your ordinary thoughts as time goes by
Bm **A** **G** **A**
rest your head keep on dreaming so...

Refrão:

D **A**
All over now (over now)
Bm **A** **G** **A**
watch overhead nothing left but
D **A** **Bb°**
some painful wounds
Bm **A**
that won't heal away
Bb **G**
till you can touch all the truth

Solo 2x: **Bm** **A** **G** **Em**
 Bm **A** **Bb** **G** **Em**

Bm **A** **G** **Em**
hush sweet darling raise your head
Bm **A** **G** **Em**
if you think that nothing's over yet
Bm **A** **Em** **G**
then you need to understand
Bm **A** **Em** **G**
every tale has an end!
