

Endeavour

Andre Matos

Dm **Am**
The aftermath of disaster strikes down to the Earth
Time is life s destroyer
Dm **Am**
A transitional mixing connecting us all
Bb **Gm** **F** **Am**
As we split forever in two and the wheels keep turning...

Dm **Am**
Suspended in time as you glide through the air
See your body below you
Dm **Am**
Feelings no longer hurt no more fears within
Bb **Gm** **F** **Am**
Let me fly together with you and the wheels keep turning...

Bb **F**
Stand forever in the rain
Bb **F**
Watch the sun break through the sky
Bb **Dm**
If this world has let you down
C **Bb**
Take a leap to higher ground
Gm **Am** **Dm**
Cause your heart will never die!

Dm **Am**
Conscience wakes to remind you the rule of the game
There s no turning back now
Dm **Am**
You ll become someone else your perceptions will change
Bb **Gm** **F** **Am**
Let me change forever with you and the wheels keep turning...

Bb **F**
Stand forever in the rain
Bb **F**
Watch the sun break through the sky
Bb **Dm**
If this world has let you down
C **Bb**
Take a leap to higher ground
Gm **Am** **Dm**
Cause your heart will never die!
