

**Letting Go**  
**Andre Matos**

Intro: Depois das firulas entra a guitarra  
**C - G# - C - D#**

**F**                    **G#**                    **C**  
A brand new day at last is born  
                         **G**                    **F D# D**                    **F**  
The first wave breaks on the shore  
                 **G#**                    **D# D**  
The sun is shinning bright

**F**                    **G#**                    **C**  
Across the centuries of pain  
                         **G**                    **F D# D**  
My heart is rising again  
**F**                    **G#**                    **D# D**  
Did you hear all my cries?

**G# - G** (toda essa parte)  
I m on the edge to turn away  
I can't explain  
But I dont want to be alone  
It's in the air, it's in my face,  
It's everywhere                    **G**  
I d like to know how to carry on...

Intro + **D** depois do **D#**

**F**                    **G#**                    **C**  
I ask myself in the end  
                         **G F D# D**                    **F**  
Was everybody just lying  
**G#**                    **D# D**  
Right from the start?

**F**                    **G#**                    **C**  
And if you are longing to be free  
                         **G F D# D F**  
You better think of a way  
                         **G#**                    **D# D**  
to find some love in your heart

**G# - G** (toda essa parte)  
I m on the edge to turn away  
I can't explain  
But I don t want to be alone  
It's in the air, it's in my face  
It's everywhere                    **G**

And now I know how to carry on

**C**

Falling with the rain

**G# C**

To meet you once again

**D# D**

Set me free

**C**

Flying to ever more

**G# D#**

But I won't fly alone

**D G# A# F**

Can't you feel me letting go?

Mais firulas dai entra guitarra em **G**

Solo: **C - G - C - G - F - C - D# - F**

**F**

A moment like a million more

**D**

Let me hold you for a while

**D-D#-C**

Just strangers now or have we met before

It's up to you to treat me well

or throw me on the floor

**D D# D D D# D# F G F**

There's a reason why we live and die

**F F G G# G F D F**

In the end only a footprint stay behind

(Piano)

There's a time for love, time for pain

Have you seen how pictures melt down in the sky

**G# A# C# D#**

Letting go

**G# A# C# A#**

Letting go

**G# A# C# D#**

Letting go

**G# A# C# A#**

Letting go

**C**

Falling with the rain

**G# C**

To meet you once again

**D# D**

Set me free

**C**

Flying to ever more

**G#** **D#**

But I don't fly alone

**D**

**C**

Can't you feel me letting go?

**C** **G#** **D# D**

Ôuoooo Ôuoooo aaaaaa

**C** (Até o fim)
