**G#m F# E C**  
Sometimes I m sad and lonely  
**E B F# Eb**  
Somedays because I miss you  
**G#m F# E B**  
You held me tight in your arms  
**E B F# Eb**  
As I came out of darkness  
**E Eb Eb7 G#m**  
Sometimes I watch you go away  
**F# G#m Eb7**  
I watch you go away...  
**B**  
Hope you don t cry  
**F# E B**  
Cause in my own stories  
**E B Eb Eb7**  
I m ever side by side with you  
**B F# E C**  
Somewhere to bind the distance  
**E B F# Eb**  
Somekind of timeless moment  
**E Eb7 G#m**  
Somewhen I ll let you know  
**G#m7 F# G#m**  
How far you ve made me roam  
**E B**  
Across the nights,  
**Eb Eb7**  
I hear a train  
**Eb E**  
That won t bring you back  
**F# G#m**  
But I ll still wait...  
**F# F7 B**  
I never really lost you  
**F7 B F# Eb**  
You never really left me  
**F7 Eb G#m7**  
I feel our hearts as one  
**F7 Eb G#m**  
Every time I gaze
