

**All The Love I Have**  
**Andrea Ross**

Beautiful song and easy to play and sing for beginners. Enjoy!!

The music doesn't start until after the second line but if you want to play from the beginning play this: G Em C D x2.

All the love I have  
Andrea Ross  
Album: Moon River

In the darkness of eternity

In the space that fills forever

**G/B G/F# Em**

All the love I have

**Em7 C9 Dsus4**

I give to you

**G Em C D**

On time's journey to infinity

**G Em C D**

Our hearts will be bound together

**G/B G/F# Em Em7 C**

Count the seconds and you'll find it's true

**Am Am7/G C D G**

That all the love I have I give to you

**C Am G**

And all across the universe

**C Am G**

Where each new star will burn for us

**C Am**

The path I take with you

**C D**

Will have no end, like a circle

**G Em C D**

I believe love fills the emptiness

**G Em C D**

Binds the moon and stars together

**G/B G/F# Em Em7 C**

Each fresh kiss begins the world anew

**Am Am7/G C**

And all the love I have

**G**

I give to you
