

**The Long And Winding Road**  
**Andrés Calamaro**

Bm G D D7 G  
The long and winding road that leads to your door,  
G A Bm G A D D7  
Will never disappear, I've seen that road before  
G A Bm G A D  
It always leads me here, leads me to your door.

The wild and windy night, that the rain washed away,  
Has left a pool of tears crying for the day.  
Why leave me standing here, let me know the way.

D G D A  
Many times I've been alone and many times I've cried  
D Bm G A  
Anyway you'll never know the many ways I've tried  
Bm G D D7 G  
Still they lead me back to the long and winding road  
You left me standing here a long, long time ago  
Don't lead me waiting here, lead me to your door.

Still they lead me back to the long and winding road  
You left me standing here a long, long time ago  
Don't keep me waiting here, lead me to your door.
