Verse

Well I know this guy, who s crazy for his girl
And he says, She s everything his whole wide world
And I know they got something deep inside
Cause he s got nothing to hide

And this Guy says she laughs away the tears
Oh, but she cries those every sort of every kind of tears
And I know It s love, that sweet, sweet love
And you see, this is what he said to me

Chorus

Her eyes they bubble like a sweet champagne
And her lies they tell me that it s sunny when I know it s gonna rain
And nothing in the world could ever ruin her
The only thing I wish I could change is that I would ve met her sooner
I would ve met her sooner

Verse(Repeat the given chords above)

And this guy says he doesn't even care
When those other guys decide to stop and stare
Cause he said
I wouldn't doubt it that they like what they see
Besides, my girl is staring back at me

And she says that she likes it when he's there
And she knows he could've had a millionaire
But it's love, that love, that sweet, sweet love
And you see
Cause this is what he said to me

Chorus (Repeat)

Enjoy! :)
