

Dark Matter
Andrew Bird

You can use whatever type of chord you want to use- though using bar chords are a little more intermediate, I think it sounds better.

Start by playing A and D while he s whistling

A **D**
When I was just a little boy
A
I threw away all of my action toys
D **A** **D**
While I became obsessed with Operation
A **D**
With hearts and minds and certain glands
A
you gotta learn to keep a steady hand
D **A** **D**
and thus began my morbid fascination
E **F#m** **F#m** **E**
Tore the spines from out of all of these self-help books
F#m **D**
Made myself a gun that not only shoots but looks so real
E **A** **D**
Yeah, it shoots through steel with rays of dark matter
A **D** **A** **D**
Rays of dark matter

It s really just the same through the rest of the song. It s an amazing song and easy to learn. I hope you have fun. d:)
