Andrew Bird - MX Missles

If you re a play along with the track kind of person, this will disappoint you.

It s a standalone version that s easy to play.

Seen Andrew play F#7 like this for MX Missles:

G7

E--0--|
B--2--|
G--3--|
D--4--|
A-----|
E-----|

And plays most bar chords on those four high strings. The album version has the capo way up but all live versions are without.
