Andrew Bird - MX Missles

If you re a play along with the track kind of person, this will disappoint you.

It s a standalone version that s easy to play.

Seen Andrew play F#7 like this for MX Missles:

**E7**  
E--0--|  
B--2--|  
G--3--|  
D--4--|  
A-----|  
E-----|

And plays most bar chords on those four high strings. The album version has the capo way up but all live versions are without.

to learn that maybe you weren t really mx-missiles proof
