Then, baby, I m movin way too slow  
**Bbm**  
I ve been fooled before  
                  **F#**  
Wouldn t like to get my love  
  **G#**  
Caught in the slammin door  
  **F**  
How about some information, please?

**Bbm**  
Straight up, now tell me  
  **F#**  
Do you really wanna love me forever  
                  **G#**

Straight up, now tell me  
  **F#**  
Is it gonna be you and me together  
                  **G#**  
Oh, oh, oh  
  **F**  
Or are you just havin fun?

**Bbm**                                    **F#**  
Time s standing still  
  **G#**                                    **Bbm**  
Waiting for some small clue  
**Bbm**                                    **F#**  
I keep getting chills  
                  **G#**                                    **Bbm**
