```
Am           C           G       C
Staring out the glass of your tired sedan
Am           C           G           C
Waiting at your door, leaning up against the jamb
Am           C           G           C
Going all the way, make you sing to my guitar
Am           C           G           C
It s late and I can t stay The secrets of the heart
```

```
Am           C           G           C
Do-do-do-do-dooo Do-do-do do-do-do do-do

```

```
Am           C           G           C
On the study floor with the words in your hands
Am           C           G           C
You pull the hairpin out, now And down pour the strands
Am           C           G           C
But you were on the stake You can sing to my guitar
Am           C           G           C
It s late and I can t stay The secrets of the heart
```

```
Am           C           G           C
