```
Am          C          G      C
Staring out the glass of your tired sedan
Am          C          G          C
Waiting at your door, leaning up against the jamb
Am          C          G          C
Going all the way, make you sing to my guitar
Am          C          G          C
It s late and I can t stay The secrets of the heart
```

```
Am          C          G          C
Do-do-do-do-dooo Do-do-do do-do-do do-do
Am          C          G          C
Do-do-do-do-dooo Do-do-do do-do-do do-do
```

```
Am          C          G          C
On the study floor with the words in your hands
Am          C          G          C
You pull the hairpin out, now And down pour the strands
Am          C          G          C
But you were on the stake You can sing to my guitar
Am          C          G          C
It s late and I can t stay The secrets of the heart
```

```
Am          C          G          C
