

**Close Every Door**  
**Andrew Lloyd Webber**

[Verse]

**Em** **B7**  
Close every door to me, Hide all the world from me.  
**Em** **C** **Am** **B7**  
Bar all the windows and shut out the lights.  
**Em** **B7**  
Do what you want with me, Hate me and laugh at me  
**Em** **C** **Am** **B7**  
Darken my daytime and torture my night  
**G** **C** **D** **G**  
If my life were important I would ask will I live or die  
**F** **Em** **C** **B7**  
But I know the answers lie far from this world  
**Em** **B7**  
Close every door to me, keep those I love from me  
**Em** **C** **Am** **B7**  
Children of Israel are never a-lone  
**G** **C** **D** **G**  
For I know I shall find my own piece of mind  
**F** **Em** **C** **B7**  
For I have been promised a land of my own

[Chorus]

**Em** **B7**  
Just give me a number instead of my name  
**Em** **B7**  
Forget all about me and let me decay  
**Em** **B7**  
I do not matter, I m only one person  
**Em** **C** **Am** **B7**  
Destroy me completely then throw me away  
**G** **C** **D** **G**  
For we know we shall find our own piece of mind  
**F** **Em** **C** **B7**  
For we have been promised a land of our own
