Id Be Surprisingly Good For You
Andrew Lloyd Webber

[Verse 1]
Eva
```
                    Em
It seems crazy but you must believe
C                   D7          G
  There s nothing calculated, nothing planned
B7                            Em
  Please forgive me if I seem naive
C          D7            G
  I would never want to force your hand
    Am7             B7
But please understand
        C
I d be good for you
```

[Verse 2]
```
B7                          Em
  I don t always rush in like this
C          D7             G
  Twenty seconds after saying hello
B7                              Em
  Telling strangers I m too good to miss
C          D7                G
  If I m wrong I hope you ll tell me so
        Am7             B7
But you really should know
        C
I d be good for you -
Bb          F          E
I d be surprisingly good for you
```

```
    Em
I won t go on
```

If I m boring you
```
                        Am7
But do you understand my point of view?
```

Do you like what you hear, what you see
```
              B7
And would you be
          Em
Good for me too?
```

[Chorus]
```
B7                          Em
  I m not talking of a hurried night
```

```
C                 D7              G
   A frantic tumble, then a shy goodbye
B7                            Em
   Creeping home before it gets too light
C                 D7             G
   That s not the reason that I caught your eye
       Am7         B7
Which has to imply
         C
I d be good for you -
Bb          F          E
I d be surprisingly good for you

[Verse 3]
Peron
Em
Please go on;
       Em7
You enthrall me
                    Am7
I can understand you perfectly

And I like what I hear, what I see
           B7
And knowing me
                         Em
I would be good for you too

[Chorus]
Eva
B7                           Em
   I m not talking of a hurried night
C         D7             G
 A frantic tumble, then a shy goodbye
B7                       Em
   Creeping home before it gets too light
C               D7            G
   That s not the reason that I caught your eye
       Am7
Which has to imply
         C
I d be good for you -
Bb          F          E
I d be surprisingly good for you
```
