Am G F C
Am G F C

Am G
We take our corners
F C
We don t back down
Am G
It s getting colder
F C
With every round

Am G
When did we start fighting each other
F C
Instead of fighting for the thing we had
Am G
Getting tired of the war now
F C
I don t want to live like that

Am G F C
I want to hold on to you again
Am G F C
Come out of my corner and let love win
Am G F C
Send up a white flag and take your hand
Am G F C
I know we can make it if we let love win

Am G
I miss that feeling
F C
Of a good long kiss
Am G

I know we never
 F **C**
Meant to end up like this

Am **G**
But Im not giving up here honey
F **C**
No Im not gonna walk away
Am **G**
Cuz without you is lonely
 F **C**
I don t want to live that way

Am **G** **F** **C**
I want to hold on to you again
Am **G** **F** **C**
Come out of my corner and let love win
 Am **G** **F** **C**
Send up a white flag and take your hand
Am **G** **F** **C**
I know we can make it if we let love win
Am **G** **F** **C**
I know we can make it we just got to let love win

Am **G** **F** **C**
Am **G** **F** **C**
F **C**

Am **G**
No I m not giving up here honey
F **C**
No I m not gonna walk away
Am **G**

 F **C**
And that aint gonna change

Am **G** **F** **C**
I want to hold on to you again
Am **G** **F** **C**
Come out of my corner and let love win
 Am **G** **F** **C**
