A	-----	
E	-----	

D

See the black swan drifting along

It s doing nothing wrong

C

It don t matter which way it turns

It keeps moving on

D

See the black swan drifting along

It s doing nothing wrong

C

It s just drifting down a stream

It s just dreaming on

G

You could be here, you could be there

D

You could be anywhere you like

G

You could be here, you could be there

F

C

You could be sleeping under a tree tonight

D

C

See the black swan drifting on

Bb

It don t know what it s done

A G

It just keeps on moving on

D C

D

One of these days we're lifting the haze

Trying to change our ways

C

Caught in a dream, slipping upstream

Can't hear a word they say

D

It's easy to see how it should be

When it's all in the past

C

One of these days, all of these things

Will it make me laugh?

G

You could be here, you could be there

D

You could be anywhere you like

G

You could be here, you could be there

F

C

You could be sleeping under the trees tonight

D

C

See the black swan moving on

Bb

It don't need to get along

A G D

It just keeps on moving on

D

C

One of these days, lift the haze

Bb

Find out we've been living in a maze

A G D

It just keeps on moving on

D C
