Have you seen that film clip
Where she s wearing the cowboy hat and she s kicking the dirt
I wanna do it with
Oooo Madonna [till fade]

I think it s harsh to the unknown (well, maybe not well known
in, say, USA, but maybe world famous in some other countries)
musicians/artists. They do exist, but just because they have
no official websites, they were deemed UBA
(Unidentified Band/Artists), which is really sad.
