

Save Me Now  
Andru Donalds

**Em**

Here I am

**D**

In a place that I

**G A**

Have never been

**E**

And out of love

**D**

And afraid that you

**G A**

Won't let me in, no

**C**

You came to me

**Am**

And I started to feel

**G**

That my senses

**D**

**Em D**

Had left me to die

**C**

Where is my strenght

**Am**

When I need it the most

**B7**

Tell me what

Have you done

With my mind?

**Em**

Oh, save me now

**D**

From the depth of my

**G A**

Infatuation

**Em**

I could drown

**D**

In the sea of love

**G A**

And isola..tion

**C**

I'll take you down

**D**

If you just

**Em**

Save me now

**Em**

All the time

**D**

That I gave away

**G A**

I'd give to you, oh

**Em**

And all the love

**D**

That I never made

**G A**

I'd make to you, yeah

**C**

Nothing would be

**Am**

More electric to me

**G**

Than to give you

**D Em**

A taste of the love

**D**

That I hide

**C**

In my condition

**Am**

I'm totally lost

**B7**

Tell me what

Have you done

With my pride

**Em**

Oh, save me now

**D**

From the depth of my

**G A**

Infatuation

**Em**

I could drown

**D**

In the sea of love

**G A**

And isolation

**C**

I'll take you down

**D**

If you just

**Em**

Save me now  
Save me now
