

**Put The Gun Down**  
**Andy Black**

(intro)

**C Em Am G**

**C** Here s where it starts, another night alone in the dark  
**Em**

**Am** Hate is running through my veins  
**G**

**G** Steady now I m takin aim  
**C**

**C** The darkness of day, all the skies are turning to grey  
**Em**

**Am** I can t tune the voices out  
**G**

**G** How d they get so Goddamn loud?  
**Am**

**Am** Oh, cause there s a side, another side of me that can t get out  
**F**

**Am** A darker side that no one knows about

Chorus:

**C** Can t anybody hear me?

**Em** Can t anybody see me?

**Am** Cause I think I lost my way  
**G**

**G** Put the gun down, Just put the gun down

**C** Will anybody watch me?

**Em** It s someone gonna stop me?

**Am** This could be my last mistake  
**G**

**G** Put the gun down, just put the gun down, down

Verse 2:

**C** Here s where it ends

**Em** I m never going back there again

**Am** Cause everytime I m standing by  
**G**

The shadows in my line of sight

**C**

When does it stop?

**Em**

Cause I m living cold and shut off

**Am**

**G**

Even when I clench my fists, It s slipping through my fingertips

**Am**

**F**

Oh, cause there s a piece, there s a piece of me and it s missing now

**Am**

**G**

Yeah, there s is a piece of me that s breaking now

Chorus:

**C**

Can t anybody hear me?

**Em**

Can t anybody see me?

**Am**

Cause I think I lost my way

**G**

Put the gun down, Just put the gun down

**C**

Will anybody watch me?

**Em**

It s someone gonna stop me?

**Am**

This could be my last mistake

**G**

Put the gun down, just put the gun down

Bridge:

**Am**

That s when I look myself in the mirror

**F**

Now I m seeing things a little clearer

**C**

Honest, I can t hide what s inside me

**Am**

I said I m tired of pointing the finger

**F**

Tired of this hand holding the trigger

**C**

**G**

Now I m done with that, I gotta take one step back

Can t anybody

Chorus 3:

**C**

Can t anybody hear me?

**Em**

Can t anybody see me?

**Am**

Cause I think I lost my way

**G**

Put the gun down, Just put the gun down

**C**

Will anybody watch me?

**Em**

It s someone gonna stop me?

**Am**

This could be my last mistake

**G**

Put the gun down, just put the gun down, down

Reprise:
