

**They Don't Need To Understand**  
**Andy Black**

**G**

Growing strong  
The voice of my father said

**D/F#**

Don t give up, don t be forgotten

**Em7**

This hell on earth

**C9**

I just wanna run away

**G**

They told me dreams don t grow from here

**D/F#**

Stay alone, count your fears

**Em7**

**C9**

Somewhere down the line I might figure it out

**Am**

Singing all my songs

**Em**

To bedroom mirrors

**Em7**

**C9**

Deep inside my heart I m still here

**G**

**G**

We re always running away

**D/F#**

And we don t even stop to think about it

**Em7**

The world s in our hands, yeah

**C9**

They don t need to understand

**G**

We do it in our own way

**D/F#**

No matter what they try to say about it

**Em7**

We ve got our own plans, yeah

**C9**

They don t need to understand

**C9**

OOH OOH OOH OOH

**G**

They don t need to understand

**C9**

OOH OOH OOH OOH

**G**

It may be tough, almost killed me

**D/F#**

At least that's how I'll remember the story

**Em7**

**C9**

Over the years I've forgotten how it was

**G**

But I survived and I won't walk down

**D/F#**

The same old road that they all followed

**Em7**

**C9**

It only leads to a life not meant for me

**Am**

Singing all my songs

**Em**

To bedroom mirrors

**Em7**

**C9**

Deep inside my heart I'm here

**G**

We're always running away

**D/F#**

And we don't even stop to think about it

**Em7**

The world's in our hands, yeah

**C9**

They don't need to understand

**G**

We do it in our own way

**D/F#**

No matter what they try to say about it

**Em7**

We've got our own plans, yeah

**C9**

They don't need to understand

**Am**

Streets of my hometown

Seem strange now

**Em**

They feel like a distant memory

**Am**

I'm always fine cause I know you're trying

**C9**

But you can never take this dream from me

**G**

We're always running away

**D/F#**

And we don't even stop to think about it

**Em7**

The world s in our hands, yeah

**C9**

They don t need to understand

**G**

We do it in our own way

**D/F#**

No matter what they try to say about it

**Em7**

We ve got our own plans, yeah

**C9**

They don t need to understand

**C9**

OOH OOH OOH OOH

**G**

They don t need to understand

**C9**

OOH OOH OOH OOH

**G**

They don t need to understand
