I Never See You Andy Davis

Song: I Never See You Artist: Andy Davis Album: Thinks of Her

This is a relatively easy tab, although Andy includes some more intricate guitar work that can be figured out by picking around with the barred version of the chords.

Verse Chords:

Em: 022000 Bm: X24432 A: X02220 Asus: X02230

Chorus Chords:

Em: X79987
Bm: 799777
A: 577655
G: 320033

1st Verse:

Em Bm A

Thank God, thank God youâ \in The okay, I couldâ \in The lost you

Em Bm A Asus A

You had me afraid

Em Bm A

You know when you're still away, the thoughts in my head, the nails in

my bed

Em Bm A Asus A

Keep me awake

Chorus:

Em Bm A

Did you see how close my feet were to the edge

Em Bm A

When you came to me, oh do you love?

Em Bm A

Do you see that you say that you're not leaving,

Em G A

I want to believe it's true, but I never see you.

2nd Verse:

Your voice is only a tease, it never seems to calm my agony, And though $I \hat{a} \in \mathbb{M}$ m a man of faith, it $\hat{a} \in \mathbb{M}$ s hard to believe in what you can $\hat{a} \in \mathbb{M}$ t see When you $\hat{a} \in \mathbb{M}$ re gone away.

Repeat chorus, instrumental (same chords), then chorus again.
