

If Paradise Is Half As Nice
Andy Fairweather Low

If paradise is half as nice

C **Em** **C** **F** **F**
If paradise is half as nice as heaven that you take me to
C **G** **G** **G**
Who needs paradise, I d rather have you

C **Em** **C**
They say paradise is up in the stars
F **F**
But I needn t sigh because it s so far
C **G** **G** **G**
Coz I know it s where a heaven on earth
G **G**
Will be where you are

C **Em** **C**
A look from your eyes, touch from your hand
F **F**
And I seem to fly to some other land
C **G** **G** **G**
When you are around my heart always pounds
G **G**
Just like a brass band

C **Em** **C** **F** **F**
If paradise is half as nice as heaven that you take me to
C **G** **G** **G**
Who needs paradise, I d rather have you
G **G**
Oh yes I d rather have you

La la la la
La la la la
La la la la
La la la
La la la la la
La la la la la

C **Em** **C** **F** **F**
If paradise is half as nice as heaven that you take me to
C **G** **G** **G**
Who needs paradise, I d rather have you
G **G**
Oh yes I d rather have you

La la la la

La la la la
La la la la
La la la
La la la la la
La la la la la

C **Em** **C**
They say paradise is up in the stars
F **F**
But I needn't sigh because it's so far
C **G** **G** **G**
Coz I know it's where a heaven on earth
G **G**
Will be where you are

C **Em** **C** **F** **F**
A look from your eyes a touch from your hand
C **G** **G** **G**
And I seem to fly to some other land
G **G**
When you are around...
