Please don t ask me no questions
And I will tell you no lies
How I wish all this shit inside
would fade away so I try
Em G
\mathbf{E}\mathbf{m}
Try to make things better around here
My heart is screaming so loud and clear
I back my bags and I m out of here
And in the jungle I disappear
Αm
             D
So deep down in
The misery of dangerous things
Well I ve been there before
and I will be there again
С
            Am
I wanna cry I wanna die
Too much love and hate inside
             Am
I wanna give I wanna take
There s too much love and hate
Em G
```

And you ll be spared all my lies

Em

So dark in the freeway of life

G

I m confused don t know wrong from right

Am
